Currently I hold the position of Trustee of Ngāpuhi ki te Tonga o Tamaki Makaurau and I'm also the Deputy Chair of Te Rūnanga A Iwi O Ngāpuhi.

Over the past two terms I've navigated the educational political space that has characterised the challenges that Ngāpuhi have experienced as we progress our readiness for hapū rangatiratanga.

Within the role I hold with my Education portfolio, alongside operations, we have developed our Education Impact Statements and have developed our Te Pourewa O Ngāpuhi roopu so that our whānau, hapū and iwi aspirations are realised.

I assist the Chair and am in communication with him daily to ensure our priorities and actions contribute to progression for Ngāpuhi. I am on the planning committee for our Ngāpuhi haerenga across the motu so that we collect Ngāpuhi whānau voice to guide us forward with what they expect of the Rūnanga and to ensure our relevance.

I would love to carry on the mahi that we have developed to carry it through to sustainability and for others to eventually take up the mantle especially taitamariki
